Solen skiner
bakom
fjälltoppen.

Regnet öser ner
över tältplatsen.

Elden eldar
upp veden.

Vattnet rinner
i floden.

I sjön finns
det sötvatten.

Ekorren sitter
på sin ända.

Busken växer
i marken.

Körsbar växer
oftast i par.

Huggormen
ringlar över
marken.

Blomman är
utslagen.

Regnet öser ner.

Solen lyser
på himlen.
