

Talk about...

Talk about är samtalskort på engelska. Det går ut på att eleverna paras ihop två och två. De får ett varsitt kort när båda har pratat om sitt eget ämne byter de kort med varandra. De letar nu upp en ny kompis som är ledig. Här kan man använda olika kooperativa övningar såsom karusellen eller handen upp.

Klipp ut korten och laminera dem så håller de längre.

Lycka till!
