## The ugly duckling

### STORYTELLER

Today is a very important day for mother Duck. Her baby ducklings are born.

Finally, the last egg opens but this duckling isn't beautiful.

The other frogs look at the little ugly duckling and start to laugh.

It's Spring. The ugly duckling stops beside a pond.

It's Summer. The ugly duckling is swimming in the pond.

It's Autumn. The ugly duckling is cold.

It's Winter. It's snowing. The ugly duckling is very sad and tired. A kind lady finds the ugly duckling sleeping in the snow.

It's Spring again and the sun is shining. The ugly duckling goes to a pond. He sees his face in the water.

He flies away and lives happily ever after.
