

MIN MÅLARBOK

Hej, jag blir så glada av att du vill använda mitt material!

Jag hoppas och tror att det ska hjälpa dig i ditt arbete med att ge en varierad och lärorik undervisning för dina elever!

Jag tycker också det är så roligt att se om, när och hur mitt material används, så om du vill får du gärna dela med dig av dina erfarenheter av materialet genom att mejla mej och/eller dela dina erfarenheter på ditt konto på sociala medier och då gärna tagga Bildlärares. Stort tack / Åsa

Materialet "Min målarbok" innehåller 40 sidor. 18 färgläggningssidor med inriktning mot skola och de yngre åldrarna, 3 sidor där eleverna ska färglägga samma motiv i tre olika färgställningar, 7 målarbilder och sist 10 Zentangelmålarbilder för de lite äldre eleverna eller till de som älskar att färglägga småsaker.

OBS! Tänk på att materialet endast får användas av dig och din klass och får inte delas vidare till andra utan lov. Tack!

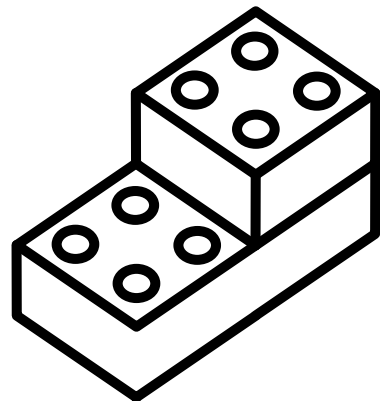

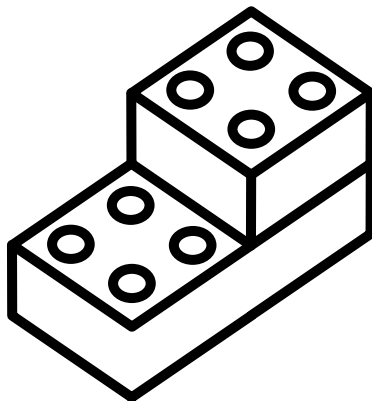

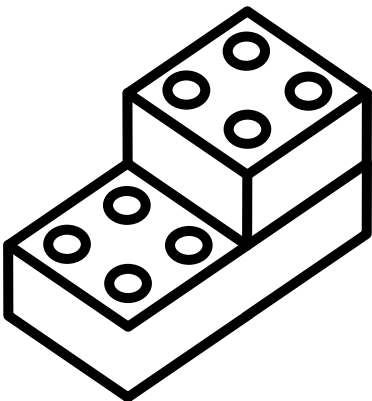

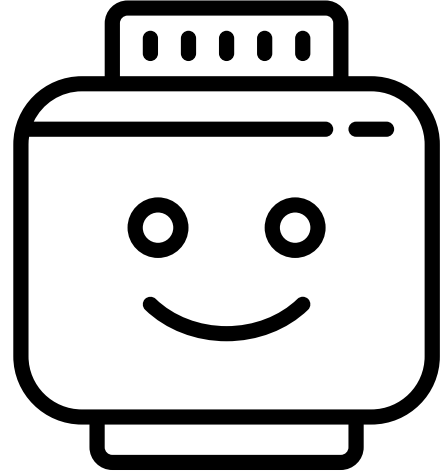

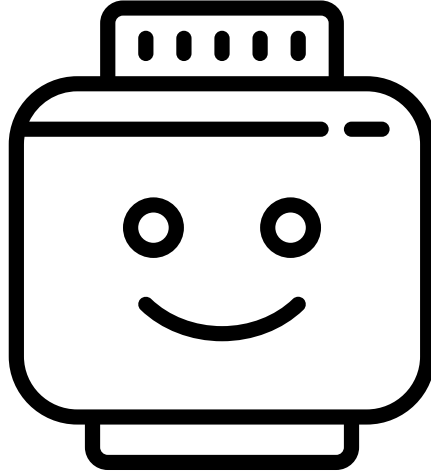

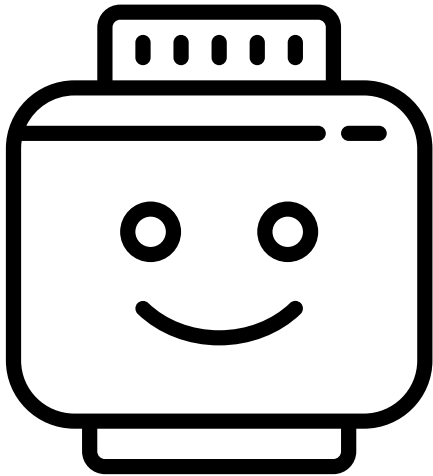

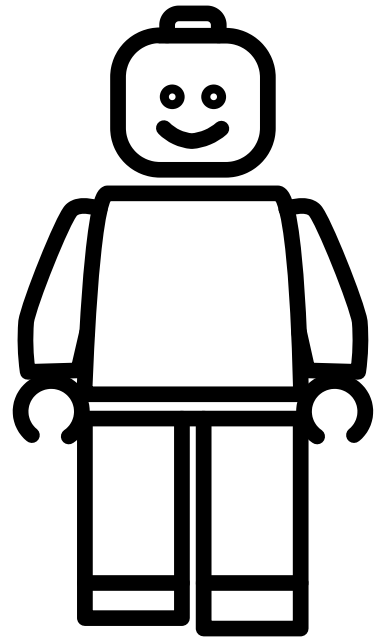

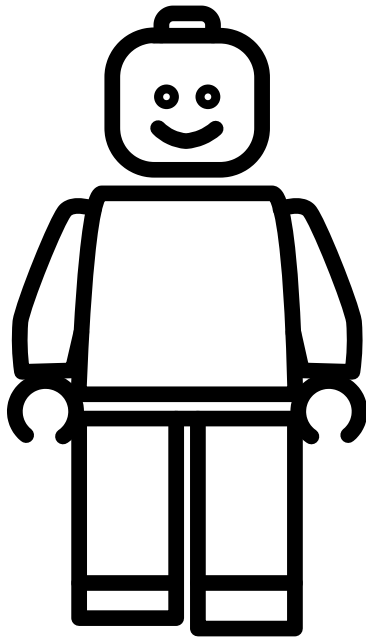

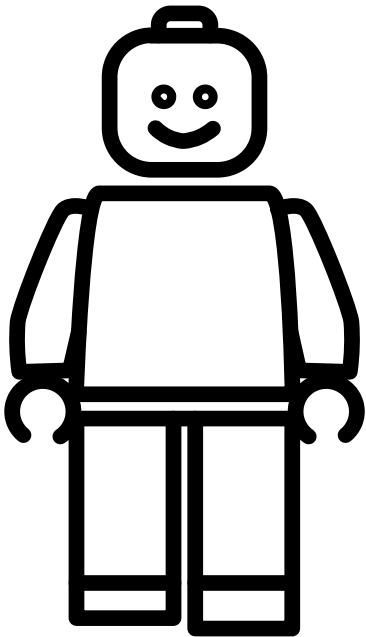

SÅ HÄR KAN DU ANÄNDA MATERIALET:

- skriv ut bilderna och sätt ihopt dem till en målarbok, en till varje elev
- välj ut bilder efter ålder
- skriv ut enstaka bilder och kopiera upp till enskild elev eller till hela klassen
- som en uppstarts-uppgift i början på dagen
- en extrauppgift att ta fram när man är klar med sina andra uppgifter
- använda som komplement till den övriga undervisningen när det passar
- elevens val
- bildlektioner
- mm mm
